10 Great Rosés for VALENTINE'S DAY

Lucciole 2013 Extra Dry Sparkling Rosé

Grape: Corvina and Syrah

Region: Veneto, Italy

The most beautiful colour of pink rose petals, Lucciole has a delicate aroma and seduces the palate with wonderfully creamy bubbles. This is glamour in a glass, even the bottle is a talking point with its voluptuous shape and vintage label.

Food Pairing: drink with a single basil leaf in a pretty glass!

Champagne Laforge Testa Brut Rosé

Pink Champagne is the epitome of liveliness and frivolity, although in fact the taste is always more substantial. A delightful salmon pink colour with a freshness and fullness on the nose, it is well balanced on the palate with a richness in the middle and a firm, dry finish.

Food Pairing: This is the perfect accompaniment to all desserts, including choux pastries and sweet mousses.
